Clerk

THE CORPORATION OF THE TOWNSHIP OF MANITOUWADGE

BY-LAW NO. 91-25

A by-law to provide for the collection, removal, disposal of garbage and other refuse within the Township of Manitowadge

WHEREAS Section 210(83) of the Municipal Act, R.S.O. 1980, c. 302, provides for the establishing and maintaining of a system for the collection, removal and disposal of garbage and other refuse or of ashes upon such terms and conditions as may be considered expedient;

AND WHEREAS Section 210(76) of the said Act provides for the prohibiting of the throwing, placing or depositing of refuse or debris on private or municipal property;

AND WHEREAS Section 210(44) of the said Act provides for the prohibiting of the installation, use and maintenance of incinerators for the burning of garbage or other refuse;

AND WHEREAS the Council of the Corporation of the Township of Manitowadge deems it advisable to provide for a system for garbage collection, removal and disposal and respecting the burning of garbage or refuse;

NOW THEREFORE the Council of the Corporation of the Township of Manitowadge ENACTS AS FOLLOWS:

DEFINITIONS

1. In this by-law:

- (a) "ashes" means the extinguished solid residue of any household fuel remaining after burning, soot, and other chimney deposits;

- (k) "Superintendent" means the Superintendent of Public Works for the Township of Manitowadge or his designate; and
 - (l) "street" means a public highway, road, street, lane, alley square, place or thoroughfare within the Township of Manitowadge.

GENERAL PROHIBITIONS

- 2. No person shall sweep, throw, cast, lay or deposit, or direct, suffer or permit any servant, agent or employee to sweep, throw, cast, lay or deposit any ashes, garbage, dirt, stones, rubbish or refuse of any kind whatsoever in or upon any street or public place within the Township.
- 3. All collectible waste may be deposited at the municipal landfill site in accordance with the supervision and direction of the Superintendent.
- 4. No person shall pick over, disturb, remove or scatter any ashes, garbage, rubbish or other refuse placed for collection or disposal by a householder or business in accordance with the provisions of this By-law whether the same is contained in a covered receptacle or not.
- 5. No person shall burn or otherwise dispose of any collectible waste, other than in the manner provided in this by-law.
- 6. Notwithstanding anything herein contained, no person shall place for collection any material, substance or object which may or is likely to detonate or explode as a result of improper handling or exposure.
- 7. No person shall deliver for collection any ashes, garbage, dirt, stones, rubbish or refuse of any kind whatsoever to any premises not actually occupied by such person, or to the street line abutting any premises other than the premises actually occupied by such person.

RECEPTACLES

- 8. (a) Every householder shall provide and maintain in good repair, metal or other suitable watertight receptacles sufficient in

number to hold all collectible waste produced in or emanating from his premises; and, except as otherwise provided, such receptacles shall be stored on a portion of the householder's premises behind the building line and shall be kept in a neat and tidy condition.

- (b) No householder shall place for collection any collectible waste unless it is contained in receptacles which conform with the following criteria:
 - (i) must be watertight and made of metal or other suitable material;
 - (ii) must be equipped with handles;
 - (iii) must have properly fitted covers in place;
 - (iv) the interior shall be smooth and free of obstructions which may impede the removal of collectible waste; and
 - (v) the maximum capacity shall not exceed seventy-seven (77) litres.
 - (c) No householder shall place for collection a receptacle, the weight of which, together with its contents, exceeds twenty (20) kilograms.
 - (d) A business for storage of and collection of collectible waste shall provide and maintain in good repair dumpsters of sufficient capacity as specified by the Superintendent, and such dumpster shall be compatible with the Corporation's collection equipment, and shall be located in accordance with a plan to be implemented by the Superintendent.
 - (e) Dumpsters as prescribed in Section 8(d) shall be for the exclusive use of the dumpster owners or lessees and use by any person or business other than the dumpster owner or lessee shall be strictly prohibited;
 - (f) No person or business shall use a dumpster except in accordance with the directions and instructions for dumpster use set out in Schedule "A" to this By-Law.
- COLLECTION, REMOVAL AND DISPOSAL OF COLLECTIBLE
WASTE AND OTHER WASTE
- 9.
- (a) Except as otherwise provided in this By-Law, no person shall place for collection collectible waste which has not been drained of all liquid matter or, where such collectible waste consists of household or kitchen waste, which has not been well wrapped.
 - (b) Rubbish and wood that will not readily fit into the specified receptacle will be collected provided it is cut or folded into pieces not more than three (3) feet in length and securely tied in bundles, which bundles shall weight no more than twenty (20) kilograms each.
 - (c) Paper products and cartons will be collected provided they are collapsed and securely tied in bundles.

- (d) Broken metal, metal scrap, motor vehicle parts, household appliances and any metal materials are not collectible waste and must be disposed of at the derelict motor vehicle site located on Sault Road in the Corporation's industrial area.
 - (e) No person shall dispose of hazardous waste except in accordance with the instructions and directions of the Superintendent.
 - (f) Plate glass shall be disposed of at the municipal landfill site.
10. The Council of the Corporation of the Township of Manitowadge shall name one (1) or more days in each week for the collection of collectible waste from businesses and premises within the Township or in any defined area or areas thereof.
11. (a) Every householder shall place all collectible waste at the edge of the travelled portion of the street abutting his property not earlier than 5:00 a.m. and no later than 8:00 a.m. on the day fixed for collection.
- (b) Every business shall place all collectible waste in dumpsters located at a place specified by and in accordance with the instructions of the Superintendent.
 - (c) No receptacle shall be permitted to remain on the street later than 8:00 p.m. after collection has been effected.
 - (d) In no event shall an employee of the Corporation enter any dwelling or residence, hotel, apartment house, tenement or building or ascend any stairway, or enter an elevator, hoist or lift for the purpose of carrying out or returning thereto any receptacle.

MANUFACTURERS' OR TRADE WASTE

12. (a) A person responsible for the creation of Manufacturers' or Trade Waste shall remove and dispose of same as directed by the Superintendent, and the cost of removing and disposing of such waste shall be borne by such person.
- (b) Where any expense is incurred by the Corporation in arranging for the disposal of any manufacturers' or trade waste for which a manufacturer, builder, contractor or other person is responsible, such person shall forthwith pay to the Corporation the amount of the expense so incurred.

CONVEYANCE OF GARBAGE

13. No person shall convey through the streets any garbage, ashes, rubbish or other refuse or any swill, liquid waste or offensive matter, except in properly covered receptacles or in vehicles equipped with canvas covers or tarpaulins, fastened in such a manner as shall prevent the refuse or waste material from falling off the vehicle.
14. Where a householder or business finds the regular collections established by the Corporation inadequate to keep his premises free

DUMPSTER USE

DIRECTIONS AND INSTRUCTIONS

1. Keep dumpster lids closed and latched at all times to keep the weather and animals out.
2. Collapse and bundle cardboard boxes and paper cartons before placing in dumpsters to conserve space.
3. Liquid waste should be sealed in a leak-tight container before placing in dumpster.
4. When the dumpster is full, any extra collectible waste should be kept in a weather-tight and animal-proof storage area. Please do not stack garbage beside dumpsters.
5. Remove accumulated snow from dumpster lid before opening.
6. Do not slam the dumpster lids as this may damage the hinges.
7. Repair costs to dumpsters resulting from improper use may be charged to the owner or lessee.
8. Do not park vehicles within twelve (12) metres of off-loading end of dumpster.
9. Please inform your employees and dumpster users of these rules and regulations.

NOTE: Dumpster design specifications are available at the Public Works Office, Sault Road, Manitowadge, Ontario.
