

PUBLIC NOTICE

TO THE RESIDENTS OF MANITOUWADGE CONCERNING COYOTE/WOLF SIGHTINGS AND TRAPPING OF WILDLIFE SEASON

BE ADVISED, there are confirmed reports of Coyote/Wolf sightings on the streets in our Town Site. They can lose their fear when they learn to associate us and our surroundings with easily available food. Coyotes/wolves/fox are wild animals and **should NOT be fed or approached**. As with any wild animal **PLEASE USE CAUTION**.

The feeding of birds, composting and garbage on properties can attract such wildlife.

Please clean all areas in your yard of any food source such as bird feed on the ground, dog food or other food wastes to decrease the likelihood of any wildlife returning to your property to feed.

CALL 911 if ANY animal poses an immediate threat to public safety.

THE TRAPPING OF WILDLIFE SEASON IS STILL IN EFFECT SURROUNDING OUR TOWN, PLEASE KEEP YOUR PET(S) ON A LEASH when walking your pet(s) for their safety and comply with all Cat/Dog, Garbage and Firearm By-laws.

TIPS FOR PREVENTING COYOTE/WOLF ENCOUNTERS

To reduce the potential for coyote encounters the Ministry of Natural Resources provides "Tips For Preventing Coyote/Wolf Encounters under "Wildlife" @ <http://www.mnr.gov.on.ca>

Visit www.manitouwadge.ca under link "Wildlife in Manitouwadge" for helpful information also.

Other inquiries, call the Municipal Law Enforcement Office at 826-3227 Ext 244.

***Thank you for your cooperation in keeping our town a safe and clean community to live in.
LETS ALL DO OUR PART TO NOT FEED WILD ANIMALS!***
