ECONOMIC DEVELOPMENT OFFICE

Our small town businesses are run by our family, friends, and neighbors. Shopping local helps our communities grow and supports the people who mean so much to us.

This holiday season please shop at our local businesses. They support local organizations, and a host of other activities and events in our towns. Our small businesses create employment. If it's not your son or daughter, it's someone you know who works for a local entrepreneur.

Give our local businesses the first opportunity at filling your shopping needs. You will find great merchandise at reasonable prices, without the need for expensive travel and accommodation costs.
